Let's make sure it is okay for the BID to be paying Vitalization...if so, I guess that is ok?

Cynthia, Bob is 110% right! Any invoice you submit for BID payment always has to be approved by me. There is NO "short cut."

Hi Don, John, Bob,

Attached is an invoice for our first step. \$1250 for the month of February. I spoke with Les and he would like to keep all monies flowing in and out with respect to this project to run through Vitalization with Vitalization in turn paying me the agreed amount for my consulting/formation services - sound good?

Attached is the invoice (n1). I placed a note to pay by check but perhaps since - Mister Bob ..you are the accountant for both community orgs you can just do a simple transfer. Bob - per the norm, I'll send in my separate personal invoice for both markets ..incoming in just a few.

Thanks as to all, here anytime and onward we go! Email is off the the council for street closure permit and next up laying out a plan for our community outreach plan - more on that soon,

Best,

Cynthia
